Re: December 30, 2015 FOIA Request

Dear Ms. Clarkson:

I am pleased to help you with your December 30, 2015 Freedom of Information Act ("FOIA"). Your request was received by the Village of Bensenville on January 26, 2016. You requested copies of the items indicated below:

"I would like to receive fire department records consisting of: records of fire, hazardous materials related incidents, underground or above ground storage tanks, or any other records of environmental concerns for the following properties: 1090 West Irving Park Road, 1004 West Irving Park Road, and 1000 West Irving Park Road."

After a search of Village files, there was no information found responsive to your request.

I advise you to contact the State of Illinois Fire Marshall's office for additional information pertaining to underground or above ground storage tanks.

Also, please be aware that the Village of Bensenville and Bensenville Fire Department are their own Taxing Bodies. Therefore, the Village of Bensenville would have no records pertaining to fires at the property. A separate FOIA request will need to be made with the Bensenville Fire Department to obtain those types of records.

Do not hesitate to contact me if you have any questions or concerns in connection with this response.

Very truly yours,

Corey Williamsen
Freedom of Information Officer
