Re: March 11, 2016 FOIA Request

Dear Ms. Daigle:

I am pleased to help you with your March 11, 2016 Freedom of Information Act ("FOIA"). Your request was received by the Village of Bensenville on March 11, 2016. You requested copies of the items indicated below:

"770-830 John Street, Bensenville – Building Permits, Certificates of Occupancy, Storage of Hazardous Materials/Petroleum Products, Emplacement of Underground/Above Ground Storage Tanks."

After a search of Village files, the following documents are enclosed to fulfill your request:

- 1) 770-830 John Street Building Permits. (1 pg.)

These are all of the documents that can be discovered responsive to your request.

I advise you to contact the Illinois Fire Marshall's Office in regards to records pertaining to Storage of Hazardous Materials/Petroleum Products, Emplacement of Underground/Above Ground Storage Tanks.

Please be aware that on February 25, 2014 the Village Board adopted Ordinance No. 16-2014 that requires a Real Estate Transfer Inspection (RETI) be conducted prior to any property sale within Bensenville. For additional information regarding the RETI inspection, please contact the Community & Economic Development Department at 630-766-8200.

Do not hesitate to contact me if you have any questions or concerns in connection with this response.

Very truly yours,

Corey Williamsen
