Re: March 21, 2016 FOIA Request

Dear Mr. Deyne:

I am pleased to help you with your March 21, 2016 Freedom of Information Act ("FOIA"). Your request was received by the Village of Bensenville on March 21, 2016. You requested copies of the items indicated below:

"Request is for an environmental assessment of: 515-525 W. main St. Occupancies; permits; any underground or above ground storage tanks; any petroleum projects; any environmental concerns of haz-mat situations."

After a search of Village files, the following documents are enclosed to fulfill your request:

- 1) Village of Bensenville Certificate of Occupancy #34172 for 515 West Main Street. (1 pg.)
- 2) Village of Bensenville Certificate of Occupancy #34173 for 517 West Main Street. (1 pg.)
- 3) Village of Bensenville Permit Application No. 4456 for 515 West Main Street. (1 pg.)

These are all of the documents that can be discovered responsive to your request.

After a search of Village records, there was no information found pertaining to any underground or above ground storage tanks; any petroleum projects; any environmental concerns of haz-mat situations. However, I recommend you contact the Illinois State Fire Marshall's Office to obtain such records that may exist.

Do not hesitate to contact me if you have any questions or concerns in connection with this response.

Very truly yours,

Corey Williamsen
Freedom of Information Officer
