Re: April 20, 2016 FOIA Request

Dear Mr. Lagundi:

I am pleased to help you with your April 20, 2016 Freedom of Information Act ("FOIA"). Your request was received by the Village of Bensenville on April 20, 2016. You requested copies of the items indicated below:

"I need a copy of my "arrest record" for U.S. Citizen Application purposes. I was arrested last September of 2006 and I need to submit an original official statement by the arresting agency confirming the outcome or disposition of the arrest."

After a search of Village files, the following documents are enclosed to fulfill your request:

- 1) Village of Bensenville Incident Report No. 2006-12027. (3 pgs.)

These are all of the documents that can be discovered responsive to your request.

Section 7(1)(b) of FOIA provided that "private information" is exempt from disclosure. "Private information" is defined in FOIA as, "unique identifiers, including a person's social security number, driver's license number, employee identification number, biometric identifiers, personal financial information, passwords or other access codes, medical records, home or personal telephone numbers, and personal email addresses. Private information also includes home address and personal license plates, except as otherwise provided by law or when complied without possibility of attribution to any person." 5ILCS 140/2(c-5). Consequently, certain unique identifiers have been redacted from the records being provided.

Section 7(1)(c) of FOIA provides that, "[p]ersonal information contained within public records, the disclosure of which would constitute a clearly unwarranted invasion per person privacy" is exempt from disclosure. Consequently, a birthdate and other personal information, the disclosure of which would constitute a clearly unwarranted invasion of personal privacy, including a victim's name and identifying information, and the race of an individual, have been redacted from the records being provided.

Pursuant to Section 9 of the FOIA, 5 ILCS 140/9, I am required to advise you that I, the undersigned Freedom of Information Officer, reviewed and in consultation with an attorney for the Village, made the foregoing determination to deny a portion of your FOIA Request as indicated. Should you believe that this Response constitutes an improper denial of your request, you may appeal such by filing a request for review within sixty (60) days of the date of this letter with the Public Access Counselor of the Illinois Attorney General's Office, Public Access Bureau, 500 South Second Street, Springfield, Illinois 62706; telephone 1-887-299-FOIA; e-mail: publicaccess@atg.state.il.us. You may also have a right of judicial review of the denial under Section 11 of FOIA, 5 ILCS 140/11.

Do not hesitate to contact me if you have any questions or concerns in connection with this response.

Very truly yours,

Corey Williamsen
Freedom of Information Officer
