Report Narrative

On 04/30/2016 at approximately 2038 hours R/O was dispatched to [REDACTED] for the report of a residential burglary that was just discovered.

R/O and A/O's LaPorte #559, Driscoll #518, Kotlewski #561 and Jones #512 arrived on scene and located the homeowners to the rear of the residence. [REDACTED] M/W [REDACTED] and Gomez, Deyanira FW [REDACTED] related that they had just returned from a funeral and located the back door kicked in. Both [REDACTED] and Deyanira entered the home and found that the bedrooms had been ransacked. They quickly left the residence, waited in the car in the driveway and called their daughter who called 911. R/O and A/O's made entry to the front entry of the home that faces north. R/O and A/O's cleared the interior of the house. The rear south facing door appeared to have been kicked in and the door jamb was cracked and splintered. The strike plate of the lock was located on the exterior steps leading to the back door. R/O and A/O's observed that the three bedrooms had been ransacked. Drawers were pulled out and the insides had been gone through and scattered throughout the rooms.

[REDACTED] related that all residents of the home had been gone since approximately 1530 hours and he and his wife returned at approximately 2030 hours. [REDACTED] related that both the front and rear doors were locked when they left. [REDACTED] also related that they did not have the deadbolt locked on the rear door when they left. [REDACTED] has no idea who would have broken in and stole from them. [REDACTED] related that him and his wife would sign complaints if the offender(s) are located. R/O asked [REDACTED] if he had anyone suspicious come to the house lately. [REDACTED] related that an unknown subject in black clothing who appeared Polish, came to the door saying that they had mold on their windows. [REDACTED] told him they were not interested. [REDACTED] also received a letter in the mail a few days prior for a blackout service. [REDACTED] called to request an estimate and the company asked for their address and was able to provide an estimate over the phone.

Deyanira showed R/O that her purse with her wallet was still inside her closet and that [REDACTED] had two "Rolex" watches and some rings on his nightstand that were not taken.

At approximately 2050 hours, Daughter Rodriguez, Sonia FW [REDACTED] and husband Rodriguez-Herrera, Jose M/W [REDACTED] arrived on scene. Sonia quickly looked through their bedroom and related that she and her husband were missing numerous pieces of jewelry but was unsure of what specific items. Sonia related that she would make a list for R/O at a later time. Sonia related that she has no idea who would have broken in and does not have any problems with anyone. Sonia related that her and her husband would sign complaints if the offender(s) are located. Sonia also notified R/O that various iPads, a laptop and other electronics were in plain view and were not taken.

Officer LaPorte, an Evidence Technician processed the scene for evidence and found 4 possible latent prints on the master bedroom closet mirror.

On 05/01/2016, [REDACTED] and Deyanira arrived at the PD for elimination prints. [REDACTED] related that he believes the cost to repair the back door is \$500.

Sonia provided R/O the following list of stolen items totaling \$5,365:

Gold Bracelet 1 inch thick with chain links and rose bud flowers every 1/2 inch \$2,000
14K Horseshoe Ring Red & White \$80.00
14K Band Ring with Good Luck signs (Elephant, 4 leaf clover, horseshoe) \$140
