Re: September 19, 2016 FOIA Request

Dear Ms. Keana:

I am pleased to help you with your September 19, 2016 Freedom of Information Act ("FOIA"). Your request was received by the Village of Bensenville on September 21, 2016. You requested copies of the items indicated below:

"Auto theft. Report #169460."

After a search of Village files, the following documents are enclosed to fulfill your request:

- 1) Village of Bensenville Crime Report No. BV16009460.1. (3 pgs.)
- 2) Village of Bensenville Follow-Up Report No. BV16009460.2. (2 pgs.)

These are all of the documents that can be discovered responsive to your request.

Section 7(1)(b) of FOIA provided that "private information" is exempt from disclosure. "Private information" is defined in FOIA as, "unique identifiers, including a person's social security number, driver's license number, employee identification number, biometric identifiers, personal financial information, passwords or other access codes, medical records, home or personal telephone numbers, and personal email addresses. Private information also includes home address and personal license plates, except as otherwise provided by law or when complied without possibility of attribution to any person." 5ILCS 140/2(c-5). Consequently, certain unique identifiers have been redacted from the records being provided.

Section 7(1)(c) of FOIA provides that, "[p]ersonal information contained within public records, the disclosure of which would constitute a clearly unwarranted invasion per person privacy" is exempt from disclosure. Consequently, a birthdate and other personal information, the disclosure of which would constitute a clearly unwarranted invasion of personal privacy, including a victim's name and identifying information, and the race of an individual, have been redacted from the records being provided.

Pursuant to Section 9 of the FOIA, 5 ILCS 140/9, I am required to advise you that I, the undersigned Freedom of Information Officer, reviewed and in consultation with an attorney for the Village, made the foregoing determination to deny a portion of your FOIA Request as indicated. Should you believe that this Response constitutes an improper denial of your request, you may appeal such by filing a request for review within sixty (60) days of the date of this letter with the Public Access Counselor of the Illinois Attorney General's Office, Public Access Bureau, 500 South Second Street, Springfield, Illinois 62706; telephone 1-887-299-FOIA; e-mail: publicaccess@atg.state.il.us. You may also have a right of judicial review of the denial under Section 11 of FOIA, 5 ILCS 140/11.

Do not hesitate to contact me if you have any questions or concerns in connection with this response.

Very truly yours,

Corey Williamsen
Freedom of Information Officer

Report Narrative

At approximately 1048 hours on 09/18/16 R/O was dispatched to [REDACTED] for a motor vehicle theft report.

R/O arrived on scene and met with complainant Tanya P Campbell f/b [REDACTED] who related the following information in summary:

She is the owner of IL Registration [REDACTED] a white 2016 Hyundai Tuscan. At approximately 1630 hours on 09/17/16 she parked the vehicle in the front lot of the [REDACTED]. On 09/18/16, Campbell could not find her keys, which also have her vehicle key. Campbell went to the parking lot and her vehicle was not where she had parked it. Campbell walked around the [REDACTED] building parking lot and could not find her vehicle. Campbell related that she lives alone and is the only one who drives the vehicle. Campbell only has two keys for the vehicle and is still in possession of the spare key. Campbell is not behind on her vehicle payments and has appropriate sticker to park in the lot. Campbell related that she does have an I-pass in the vehicle. Campbell believes that she may have left keys hanging in the door knob of her apartment door when she entered her apartment on 09/17/16

R/O drove through the York Brook apartment complex parking lots and located the vehicle in the rear lot of the [REDACTED] building. R/O did not observe any damage to the vehicle and items were in disarray as if someone had rummaged through the vehicle. The keys were left in the ignition. A/O Eickelmann dusted the vehicle for fingerprints and was able to collect a partial fingerprint from the driver door. Partial latent fingerprint was later submitted into evidence. R/O took photographs of vehicle and attached to report. R/O transported Campbell to vehicle and she related that nothing appears to be missing. R/O released keys to Campbell and she will come into Bensenville Police Department to submit her fingerprints for elimination.

Complaints will be signed, if offender(s) is located. Nothing further.
