Re: November 8, 2016 FOIA Request

Dear Ms. Jenkins:

I am pleased to help you with your November 8, 2016 Freedom of Information Act ("FOIA"). Your request was received by the Village of Bensenville on November 8 2016. The Village initially responded to your FOIA on November 15, 2014 indicating the police report was still under investigation. The report has now been completed. You requested copies of the items indicated below:

"BV16006319."

After a search of Village files, the following documents are enclosed to fulfill your request:

- 1) Village of Bensenville Crime Report No. BV16006319.1. (3 pgs.)
- 2) Village of Bensenville Follow-Up Report No. BV16006319.2. (2 pgs.)
- 3) Village of Bensenville Follow-Up Report No. BV16006319.3. (3 pgs.)

These are all of the documents that can be discovered responsive to your request.

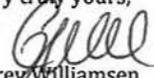

Section 7(1)(b) of FOIA provided that "private information" is exempt from disclosure. "Private information" is defined in FOIA as, "unique identifiers, including a person's social security number, driver's license number, employee identification number, biometric identifiers, personal financial information, passwords or other access codes, medical records, home or personal telephone numbers, and personal email addresses. Private information also includes home address and personal license plates, except as otherwise provided by law or when complied without possibility of attribution to any person." 5ILCS 140/2(c-5). Consequently, certain unique identifiers have been redacted from the records being provided.

Section 7(1)(c) of FOIA provides that, "[p]ersonal information contained within public records, the disclosure of which would constitute a clearly unwarranted invasion per person privacy" is exempt from disclosure. Consequently, a birthdate and other personal information, the disclosure of which would constitute a clearly unwarranted invasion of personal privacy, including a victim's name and identifying information, and the race of an individual, have been redacted from the records being provided.

Pursuant to Section 9 of the FOIA, 5 ILCS 140/9, I am required to advise you that I, the undersigned Freedom of Information Officer, reviewed and in consultation with an attorney for the Village, made the foregoing determination to deny a portion of your FOIA Request as indicated. Should you believe that this Response constitutes an improper denial of your request, you may appeal such by filing a request for review within sixty (60) days of the date of this letter with the Public Access Counselor of the Illinois Attorney General's Office, Public Access Bureau, 500 South Second Street, Springfield, Illinois 62706; telephone 1-887-299-FOIA; e-mail: [publicaccess@atg.state.il.us](mailto:publicaccess@atg.state.il.us). You may also have a right of judicial review of the denial under Section 11 of FOIA, 5 ILCS 140/11.

Do not hesitate to contact me if you have any questions or concerns in connection with this response.

Very truly yours,

Report Narrative **The following is a summary.**  
On 06-29-16 at approximately 0605 hours, R/S heard dispatch advise of a check for well being due to a facebook post of murder suicide at [REDACTED]. R/S arrived on scene, and did not enter the residence. Officers Stephens, Cha, Navarro, Grieco, and Sergeant Hermes were already searching the residence when R/S arrived. R/S stayed on [REDACTED], on the North side of [REDACTED]. Sgt Hermes advised there were 2 subjects deceased in the residence. R/S held perimeter on the North side of the residence. R/S was approached by several neighbors, and all information was immediately forwarded to the detectives. R/S gained the following information:

Mike Fitzpatrick works for the corporate office of US Foods with Tanya. Tanya did not show up to work today, and he came to the neighborhood to find out why she was not answering her phone. Fitzpatrick advised he previously lived in Bensenville, and was familiar to the town. Fitzpatrick advised he had been to Tanya's home in the past to help her at her home. Fitzpatrick stated Tanya was his supervisor. Tanya's supervisor is Sylvia Wulf. Wulf oversees approximately 80 employees. Fitzpatrick notified Wulf that Tanya is believed to be deceased. (R/S advised Fitzpatrick that the case was under investigation, and the body has not been positively identified. It is believed that the body is the resident of the home.) (Field notes were provided to Sergeant Oliva, whom transferred the information to Sergeant Zodrow.)

Joanna of [REDACTED] advised she has security cameras which face the street. She advised the quality of the recordings would not be able to view license plates, but do capture vehicle descriptions. Jonanna stated the detectives may call her for further assistance from the video cameras. Joanna did not hear or see anything during the night or the previous evening.

Richard L Ardisana m/w [REDACTED] stated he did not see or hear anything last night. Ardisana wanted to report that at approximately 6AM this morning he saw a black Mitsubishi with an older male white driver was driving slowly down the street.

Andrea P Soupous f/w [REDACTED] stated a detective spoke to her earlier. She wanted to report that she now believes the noise she heard last night was gun shots. She stated that her back patio door was open. At approximately 930 PM (2130 hrs) she heard a loud noise. She dismissed it as thunder or fire crackers. She said now that hse is thinking about it, it sounded like a gun. She believed someone was doing target shooting because the bangs were distinct and separate. She estimates that she heard 4-5 shots.

Nothing further at this time.
