Re: September 19, 2017 FOIA Request

Dear Mr. Peterson:

I am pleased to help you with your September 19, 2017 Freedom of Information Act ("FOIA"). The Village of Bensenville received your request on September 19, 2017. You requested copies of the items indicated below:

"Please include records of building and/or demolition permits, records of occupancy, records of violations of environmental ordinances/laws, records of hazardous material storage or fire/hazmat emergency responses, and records of private wells and/or wastewater treatment systems for the following properties currently/formerly part of Bensenville, IL: 1050/1060 East Irving Park Road, 201 Division Street, 1141 Green Street."

After a search of Village files, the following documents are enclosed to fulfill your request:

- 1) Village of Bensenville Permit Application No. 7457. (1 pg.)

These are all of the documents that can be discovered responsive to your request.

The other properties you have requested information for are no longer within the Village of Bensenville corporate limits.

Any information pertaining to environmental concerns would have to be obtained from the Illinois Fire Marshall's Office, assuming such records exist.

Do not hesitate to contact me if you have any questions or concerns in connection with this response.

Very truly yours,

Corey Williamsen
Freedom of Information Officer
Village of Bensenville
