Re: September 28, 2017 FOIA Request

Dear Mr. Suba:

I am pleased to help you with your September 28, 2017 Freedom of Information Act ("FOIA"). The Village of Bensenville received your request on September 28, 2017. You requested copies of the items indicated below:

"Copies of all building permits and records that identifies the contractor of the work for the address of 540 E. Jefferson, Bensenville, IL (residential address)."

After a search of Village files, the following documents are enclosed to fulfill your request:

- 1) Village of Bensenville Permit Application No. 5357. (1 pg.)

These are all of the documents that can be discovered responsive to your request.

Section 7(1)(b) of FOIA provided that "private information" is exempt from disclosure. "Private information" is defined in FOIA as, "unique identifiers, including a person's social security number, driver's license number, employee identification number, biometric identifiers, personal financial information, passwords or other access codes, medical records, home or personal telephone numbers, and personal email addresses. Private information also includes home address and personal license plates, except as otherwise provided by law or when complied without possibility of attribution to any person." 5ILCS 140/2(c-5). Consequently, certain unique identifiers have been redacted from the records being provided.

Pursuant to Section 9 of the FOIA, 5 ILCS 140/9, I am required to advise you that I, the undersigned Freedom of Information Officer, reviewed and made the foregoing determination to deny a portion of your FOIA Request as indicated. Should you believe that this Response constitutes an improper denial of your request, you may appeal such by filing a request for review within sixty (60) days of the date of this letter with the Public Access Counselor of the Illinois Attorney General's Office, Public Access Bureau, 500 South Second Street, Springfield, Illinois 62706; telephone 1-887-299-FOIA; e-mail: publicaccess@atg.state.il.us. You may also have a right of judicial review of the denial under Section 11 of FOIA, 5 ILCS 140/11.

Do not hesitate to contact me if you have any questions or concerns in connection with this response.

Very truly yours,

Corey Williamsen
Freedom of Information Officer

OWNER & APPLICANT INFORMATION

No error or omission in either the plans or application shall relieve the applicant in having the work completed in any other manner than that which is in compliance with the approved plans and the applicable codes and ordinances of the Village of Bensenville and the State of Illinois. All work shall be completed, inspected, and approved as required and no occupancy or use of the space shall be permitted until approved in writing by the Department of Community and Economic Development. Understanding the preceding statements, I hereby agree to comply and declare that to the best of my knowledge and belief the information provided is true and accurate.
