Re: April 23, 2018 FOIA Request

Dear Ms. Lomastro:

I am pleased to help you with your April 24, 2018 Freedom of Information Act ("FOIA"). The Village of Bensenville received your request on April 24, 2018. You requested copies of the items indicated below:

"Bldg. records & permits, inspections for 701 and 733 Maple Lane. This also includes, violations, plat if survey or site plan, zoning, where storm water flows to; aboveground or underground storage tanks (past/present), hazardous substances or petroleum products."

After a search of Village files, the following information was found responsive to your request:

- 1) Village of Bensenville Permit Issued to 701 Maple Lane from 1/1/10 - 4/26/18. (1 pg.)
- 2) Village of Bensenville Permit Issued to 733 Maple Lane from 1/1/10 - 4/26/18. (1 pg.)
- 3) Village of Bensenville Certificate of Compliance for Inspection No. 46360. (1 pg.)
- 4) Village of Bensenville Certificate of Compliance for Inspection No. 46359. (1 pg.)

These are all the records found responsive to your request.

Please be aware that on February 25, 2014 the Village Board adopted Ordinance No. 16-2014 that requires a Real Estate Transfer Inspection (RETI) be conducted prior to most property sales within Bensenville. For additional information regarding the RETI inspection, please contact the Community & Economic Development Department at 630-766-8200.

In regards to underground/aboveground storage tanks, hazardous and petroleum products, please contact the Illinois State Fire Marshal's Office regarding records that may or may not exist.

Do not hesitate to contact me if you have any questions or concerns in connection with this response.

Very truly yours,

Corey Williamsen
