## **Ribbon Cutting Ceremony held for Bensenville Animal Hospital**

**Bensenville, IL** – On Friday, February 21, 2020 a ribbon cutting ceremony was held for the Bensenville Animal Hospital located at 1208 Irving Park Road in Bensenville. They recently moved from their old space located at 1032 W. Irving Park Road to this new 6,000 square foot location to better accommodate their growing business.

The ceremonial red ribbon was cut by Dr. Vic Dhillon to celebrate the official opening of the newly renovated facility. He was joined by hospital representatives, Village Board members, Village staff, and members of the Bensenville Chamber of Commerce. Practice Manager Michael Mulvaney also provided guests with a detailed tour through the new space.

The Bensenville Animal Hospital is a fully remodeled facility that offers a number of services including luxury boarding, vaccinations, surgeries, spay and neutering, microchipping, wellness exams, dental care, and more.

“We are very happy that the Bensenville Animal Hospital chose to expand their business and services to Bensenville residents with the relocation to this new facility. We wish them the best of luck in this beautifully renovated space,” said Village Manager Evan K. Summers.
