## **Residents Continue to stay “Bensenville Strong” by Spreading Positive Messages**

**Bensenville, IL** – As COVID-19 continues to impact communities, many Bensenville residents and businesses continue to stay strong throughout the crisis. Bensenville business, Precise Digital Printing, donated 250 yard signs that say “Bensenville Strong” to the Village to help spread positivity in the community.

Yard signs were delivered by Village President Frank DeSimone and members of the Village Board to residents who requested one. Due to the overwhelming strength and solidarity from Bensenville residents, all signs have been requested and distributed throughout the community. If you were unable to request a yard sign, the Village encourages residents to get crafty and to make their own.

The Village is also encouraging residents to share their positive messages by sharing their own porch portrait pictures or signs with the Village to be shared on social media.

In a recent video message, Village President Frank DeSimone said, “We have seen so many inspiring stories about the community coming together and I encourage you to continue sharing them. Each week we feature new photos on our Facebook page using the hashtag “Bensenville Strong.” I hope that these photos continue to spread happiness and positivity as we all continue this fight.”

The Village thanks Bensenville residents and the business community for staying strong and continuing to support one another in this time of need.
