Bensenville Police Department Receives 25 Gallon Disinfectant Donation from Senator Don Harmon

Bensenville, IL – On Friday, May 9, 2020, Senate President Don Harmon and his staff delivered 25 gallons of surface disinfectant to the Bensenville Police Department. The surface cleaner was donated by PathoSans/Klarion and will be used to help clean squad cars and Village facilities.

PathoSans/Klarion Technologies, a manufacturer located in DuPage County, committed themselves to donating up to 5,000 gallons of its surface disinfectant to help aid government agencies. In cooperation with Senate President Don Harmon, the Village was fortunate enough to receive some of this donation.

“We can’t thank Senator Don Harmon and his staff enough for delivering these supplies. Ensuring Village facilities remain clean and safe for our staff is at the utmost importance and this donation helps us achieve that goal,” said Village President Frank DeSimone.
