Re: May 26, 2020 FOIA Request

Dear Mr. Kelly

I am pleased to help you with your May 26, 2020 Freedom of Information Act ("FOIA"). The Village of Bensenville received your request on May 26, 2020. You requested copies of the items indicated below:

"Permits, Permit Applications, and Inspection Reports or Results for paving of parking lot and adjacent area at 480-500 W. Irving Park Rd. Bensenville, IL. The time period for this request is 2018, 2019 and 2020."

After a search of Village files, the following information was found responsive to your request:

- 1) Village of Bensenville Permit Application No. 8731. (4 pgs.)
- 2) Village of Bensenville Permit Application No. 8783. (3 pgs.)

These are all the records found responsive to your request.

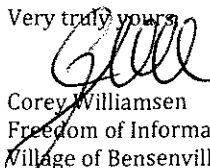

Please be advised, the Village is under the impression that no work was ever completed for permit no. 8783. The Permit was picked up but no work was ever done.

Section 7(1)(b) of FOIA provided that "private information" is exempt from disclose. "Private information" is defined in FOIA as, "unique identifiers, including a person's social security number, driver's license number, employee identification number, biometric identifiers, personal financial information, passwords, or other access codes, medical records, home or personal telephone numbers, and personal email addresses. Private information also includes home address and personal license plates, except as otherwise provided by law or when compiled without possibility of attribution to any person." 5ILCS 140/2(c-5). Consequently, certain identifiers have been redacted from the records being provided.

Pursuant to Section 9 of the FOIA, 5 ILCS 140/9, I am required to advise you that I, the undersigned Freedom of Information Officer, reviewed and made the foregoing determination to deny a portion of your FOIA Request as indicated. Should you believe that this Response constitutes an improper denial of your request, you may appeal such by filing a request for review within sixty (60) days of the date of this letter with the Public Access Counselor of the Illinois Attorney General's Office, Public Access Bureau, 500 South Second Street, Springfield, Illinois 62706; telephone 1-887-299-FOIA; e-mail: publicaccess@atg.state.il.us. You may also have a right of judicial review of the denial under Section 11 of the FOIA, 5 ILCS 140/11.

Do not hesitate to contact me if you have any questions or concerns in connection with this response.

Very truly yours,

Corey Williamsen
Freedom of Information Officer

1. All work whether approved or not shall be in compliance with the applicable codes and ordinances.
 2. Contact the Community and Economic Development Department 24 hours in advance at 630-350-3413 for any necessary inspections.
 3. No work except what has been approved or required shall be permitted through the execution of this permit. No changes to the approved plans will be permitted without authorization by the Department of Community and Economic Development in writing.
 4. THESE PLANS & CONDITIONS MUST BE AT THE JOB SITE AND AVAILABLE FOR EACH INSPECTION. If the approved copy is not available, the inspection will not be conducted and the report shall be marked "Not Approved." DO NOT REMOVE THESE CONDITIONS FROM THE PLANS.
 5. SPECIAL CONDITIONS TO APPLICATION NUMBER 8731

All conditions are mandatory, changes on the approved plans/documents will not be permitted without written authorization from the Community & Economic Development Department. Failure to comply with the preceding conditions will invalidate the approval of this permit.

All work must be inspected in accordance with the inspection list provided with this permit. Work concealed without the required inspection and approval must be exposed for inspection (at owner's/contractor's expense) as directed by the Village Inspector.

Permit is limited to the replacement of the asphalt parking lot, installation of curbs around perimeter of the parking lot and landscaping.

Curb design shall match that used on the property to the east so if and when this parking lot ties into that lot curbing is uniform.

Landscaping design shall be as shown on the drawing stamped received on 10.07.2018. No changes shall be made without first obtaining written approval from the Village.

A base inspection is required after existing asphalt removal and compaction of base.

Plans are approved as noted above.

All work must be performed in a neat and workmanlike manner by persons who are skilled in their trades in full performance with the Village Code. All work must be inspected in accordance with the inspection lists provided with this permit. Owner/Contractor is responsible to expose any work concealed without the required inspection and approval.

The completion of this project and the bond refund process is subject to the final inspection and approval by the Village Inspector. NOTE: All debris shall be removed and landscaping must be returned to original conditions prior to final inspection.

Having read and understood the preceding conditions, I hereby agree to comply with them.
