Bensenville Celebrates Earth Day with Park Cleanup Event

Bensenville, IL – On Saturday, April 24, 2021, over 100 volunteers spent their Saturday morning cleaning up Bensenville parks to celebrate Earth Day. This was a collaborative effort between the Village, Bensenville Park District, and Grand Subaru.

All volunteers had the option to choose between cleaning up Bensenville Park District parks or the Village's Redmond Recreational Complex. The event was sponsored by Grand Subaru of Bensenville who participated in the clean-up and provided funding to purchase t-shirts for volunteers. Along with a free shirt, the Bensenville Park District provided a daily water park pass to those who participated.

“Doing our part to protect the planet while also witnessing residents give back to the community is something I am humbled to see take place. This is yet another example of the strength and unity that I am proud to say exists within the Bensenville community. Thank you to Grand Subaru for sponsoring the event and to all those who volunteered their time to help clean up Bensenville this Earth Day,” said Village President Frank DeSimone.

In total, volunteers filled an entire pickup truck and about 5 barrels full of trash. The Village thanks the Bensenville Park District, Grand Subaru, and all volunteers for making this event possible.

About Bensenville: Bensenville is conveniently located just 20 miles west of downtown Chicago in DuPage County, adjacent to O'Hare International Airport, surrounded by major expressways, and boasts several public transportation options including a Metra commuter station. With plenty to offer both families and businesses like brand new schools, great parks, and special events year round, Bensenville really is the “Gateway to Opportunity.” Please visit our website at: www.bensenville.il.us
