Ribbon Cutting Ceremony held for Omega Pro Systems in Downtown Bensenville

Bensenville, IL – On Friday, June 18, 2021, a ribbon cutting ceremony was held for Omega Pro Systems at their brand new facility located at 114 W. Green Street in downtown Bensenville.

This newly constructed building includes 10,880 SF of combined commercial and residential space. The first floor will be home to Omega Pro Systems offices as well as a second rental commercial space and the second floor features 12 residential units.

Village President Frank DeSimone and Omega Pro Systems Owner Voytec Ryszka cut the ceremonial red ribbon while joined by representatives from the Village, Omega Pro Systems, and the Bensenville Chamber of Commerce.

“This beautiful, brand new mixed-use building is a terrific addition to our downtown area. With options for dining, shopping, and transportation just steps away for tenants, the second floor residential units are a welcome addition to downtown Bensenville,” said Village President Frank DeSimone.

Omega Pro Systems is a licensed, bonded, and insured signal system contractor doing business within the greater Chicago metropolitan area since 2011. They specialize in the installation of fire alarms, video surveillance, card access, burglar alarms, and more.

About Bensenville: Bensenville is conveniently located just 20 miles west of downtown Chicago in DuPage County, adjacent to O’Hare International Airport, surrounded by major expressways, and boasts several public transportation options including a Metra commuter station. With plenty to offer both families and businesses like brand new schools, great parks, and special events year round, Bensenville really is the “Gateway to Opportunity.” Please visit our website at: www.bensenville.il.us
