Village of Bensenville
717 E Jefferson St
Bensenville, IL 60106

IMPORTANT - PLEASE COMPLY

Water Use Survey - Cross Connection Control Program

The Village of Bensenville supplies millions of gallons of safe, clean water every day to our customers. Our water quality exceeds the standards established by the United States Environmental Protection Agency (EPA) and Illinois Environmental Protection Agency (IEPA) Regulations.

The IEPA requires the Village to perform a “survey” of all water customers triennially to help protect the public water systems.

Our program management firm of Aqua Backflow has helped us with our green initiative and created an eco-friendly online survey form for you to complete. It takes only a few moments, and there is no cost to you.

Please visit TrackMyBackflow.com within 30 days. Click on Water Use Survey. Enter your Site ID # «SiteID» and complete the survey.

If you have any questions or are unable to complete online, please contact Aqua Backflow at 847-742-2296 or info@aquabackflow.com.

THANK YOU for your cooperation and assistance in keeping our water safe!
