Bensenville Tournament Celebrates New Bocce Ball Courts at Redmond Recreational Complex

Bensenville, IL – On June 10, 2022, President Frank DeSimone hosted a bocce ball tournament to celebrate the completion of the Village’s brand new bocce ball courts. Located along Jefferson Street across from the Edge Ice Arena, these courts are part of the Redmond Recreational Complex and are open to the Bensenville community to enjoy.

This new space consists of two 13 by 60-foot courts made of crushed metabasalt -, igneous rock, blended with a gypsum binder - which forms the court surface. It also has two gazebos, several picnic tables, benches, running water, and electrical outlets.

At this event, local businesses, elected officials, and Bensenville residents competed against each other for ultimate bragging rights and a trophy.

“I’ve always been a big fan of playing bocce ball and thought adding courts to Redmond Park would allow a place for our community to come together. Our very own public works department did a wonderful job constructing them and we’ve already received a lot of support from Bensenville residents who help maintain the courts every day,” said Village President Frank DeSimone.

Bocce ball courts can be reserved online or by calling: (630) 766-8888

About Bensenville: Bensenville is conveniently located just 20 miles west of downtown Chicago in DuPage County, adjacent to O’Hare International Airport, surrounded by major expressways, and boasts several public transportation options including a Metra commuter station.
