Bensenville Receives Certificate of Achievement for Excellence in Financial Reporting

Bensenville, IL – The Village of Bensenville recently received a Certificate of Achievement for Excellence in Financial Reporting by the Government Finance Officers Association (GFOA). This marks the 17th year the Village has received this award and it is the highest form of recognition in governmental accounting and financial reporting.

The Village’s comprehensive financial report for the fiscal year ending December 31, 2020 was judged by an impartial panel to meet the high standards of the program. The review process concluded that the Village of Bensenville met the standards of the program by demonstrating a constructive “spirit of full disclosure” to clearly communicate its financial story and motivate potential users and user groups to read the report.

“Being a fiscally responsible and transparent agency is a cornerstone to our success as a Village. We are always striving for excellence and receiving this recognition reaffirms the professionalism and high standards we expect to see from Village staff every day,” said Village President Frank DeSimone.
