**PROJECT INFORMATION LETTER NO. 1**

**CRESTBROOK SUBDIVISION ROADWAY  
RECONSTRUCTION PROJECT**

Dear Project Area Residents:

The Village of Bensenville is about to undertake a roadway reconstruction project in the vicinity of your residence. We are pleased to announce the Crestbrook Subdivision Roadway Reconstruction Project, which will provide all new roadway pavement, complete concrete ribbon curbs, and the addition of way-finding street lighting on the streets shown below:

Last year, the Village retained the services of James J. Benes to provide design engineering services on the project. Over the past nine months, James J. Benes and Associates has put together the necessary plans and specifications to construct the project.

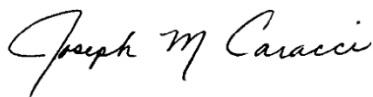

The Village recently solicited bids on the project and R.W. Dunteman Company of Lombard, IL was selected as the contractor for this project. Dunteman comes with many years of experience building both concrete and asphalt roadways. The Village has also retained the engineering firm of BLA, Incorporated to provide engineering oversight during the project. BLA will serve as the liaison between the residents and the contractor throughout the project. BLA's tasks include making sure the project gets built according to the plans and specifications, as well as to assure that the project goes as smoothly as possible for our residents. This is no small task as traffic control and property access will be an important component of the project's success.

We will be holding a Public Information Meeting in the Community Room of the Bensenville Police Department (345 E Green Street) on Thursday May 11, 2023 at 6:00pm. All project area residents are invited to attend. Attendees will meet the Project Team, hear a description of the proposed improvements, listen to what to expect during construction, and be given the opportunity to offer any insights, suggestions, or concerns about the project. Please plan on attending if possible. Members of the consulting engineering team and Public Works will be hosting the meeting.

**CRESTBROOK SUBDIVISION ROADWAY RECONSTRUCTION PROJECT**  
**CONSTRUCTION - PUBLIC INFORMATION MEETING**  
**THURSDAY MAY 11, 2023 6:00 - 7:30 PM**  
**COMMUNITY ROOM @ THE BENSENVILLE POLICE DEPARTMENT**  
**345 E GREEN STREET**

We look forward to seeing you at the upcoming meeting. In the interim, if you have any questions please contact my office at 630-350-3435.

Very truly yours,

Joseph M. Caracci  
Director of Public Works
